

HELIUM 2

LIGHT & FLEX SINGLE LENS INNOVATIVE SAFETY EYEWEAR

Model HELI2BB

Product specifications

Ultra light polycarbonate single lens glasses. Integrated polycarbonate nose piece. Thin and flexible frame. Suitable for long duration wear.

Polycarbonate

For workers who don't like to wear protection or heavy eyewear.

Filters blue light from screens and electronics to protect eyes.

Distortion-free wraparound polycarbonate lens, offers superior peripheral vision and protection.

ErgoFit™ contour temples follow the shape of your head and lies flat against the sides for better fit with hearing protectors and other PPE.

Weighs only 15 grams. Compliant Class 1 optics.

Temples securely holds the frame in place for better non-slip compliance.
