

18V Cordless BRUSHLESS 16 Gauge Metal Shear SCV 18 LTX BL 1.6

Best size to power ratio, slimmest grip, fastest cutting in its class!

Electronic overload protection for long service life

Metabo Brushless motor technology
Slim Grip, highest efficiency and productivity

Speed selector
Infinitely adjustable cutting speed for higher accuracy, material specific

Die-Cast aluminum gear housing
Stabilizes high quality cutting mechanism to ensure precision, durability and efficient power transmission

Maximum cornering ability, for comfortable cutting of narrow radii from 5/8"

Blade spacing can be adjusted to different sheet thicknesses

Tungsten carbide four-way reversible cutters
For highest cut quality

Chip deflector/Hand guard
For maximum safety in every cutting direction

Precision Cutting
Clear view of cutting line, spark-free with minimal distortion

Included:
Feeler gauge, (2) reversible tungsten carbide cutters, (2) hex wrenches, MetaLoc case

Model

SCV 18 LTX BL 1.6

Order number	601615850 (bare)
Input Power	18 V
Max. Cutting Speed	23 ft/min
Smallest Curve Radius	5/8"
Capacity: Aluminum, NF Metals	14 gauge
Capacity: Low Carbon Steel	16 gauge
Capacity: Stainless Steel, Alloy Steel	18 gauge
Capacity: Hardened Steels	22 gauge
Switch Position	Top
Weight (tool only)	3 lbs
