

18V Cordless Brushless Reciprocating Saw

SSE 18 LTX BL

Powerful recip saw with low weight and angled soft grip handle for optimum comfort

Vario Constamatic Electronics
For maximized productivity

Integrated LED work light
For optimum illumination of the cutting line

Robust die-cast aluminium gear housing, rubber-coated for optimum handling

Stepless variable speed control trigger with locking function

M-Quick Sawblade Change
Tool-free clamping system for recip saw blades

Saw blade rotatable by 180°
For working comfortably overhead/upcutting

Shoe can be adjusted without tools
For ideal utilization of the saw blade and cutting depth limitations

Compatible with all Metabo 18 V Li-Ion or LiHD battery packs

Restart Protection
Prevents unintentional start-up after power supply interruption

Gear protected against dust and water splashes

Powerful Metabo brushless motor
Excellent cutting performance and highest efficiency for any application

Model SSE 18 LTX BL

Order Number	602267850 (bare tool) US602267550 Kit (incl. (2) 5.5Ah batteries)
Battery Voltage	18 V
Strokes per Minute	0 - 2,700
Saw blade stroke	1 1/4"
Weight (tool only)	5.4 lbs
