

TK NO. 18 HAND TURRET PUNCH

Introducing the Tin Knocker No. 18 Hand Turret Punch. A fast, accurate and flexible method of punching in the shop. Change punch & die sizes in seconds, not minutes. Priced at what you would expect to pay for a used ROTEX style machine, these 18 stations, 8-ton punch is built to last. The solid cast and machined C frame and precision machined, and ground turret make for smooth effortless punching over the user's lifetime. Accepts ROTEX punches and dies.
